One day, You are on the way to the SVA Interaction Design studio. You meet a person with the sunglasses and tile hat in the Madison Square Park(Graphic: Sunglasses). He passes by and gives you an elaborate book and he whispers a secret of treasure hunting.

Go gentle into that good night, the truth is hidden inside the moonlight. (riddle)

What would you do?:

1. Believe him and go to find treasure in museums.

He tells you there are three different treasures in three museums, but you can only choose one, Which museum will you choose to go?

1.1. Metropolitan Museum

You decide to go to Metropolitan Museum and take a Uber

When you get on the car, you find the driver is so talktive.

What would you do?

1.1.1. Let the driver shut up

Driver stop the car and let you get out, you show the middle finger to the driver and get off the

Uber

Then you find you are just at the front of the National Museum of Mathematics!

1.1.1.1. Go National Museum of Mathematics

1.1.1.2. Damn, you are in a bad mood, forget about what that sunglasses man said,

just go home.→

1.1.2. I'm sorry I cannot speak english well

you two keep silent all the way, and Metro comes.→

1.1.3. Happily talk with the driver.

From his story, you know he is the one who takes the moon trip of SpaceX by Elon Musk

They discovered a very strange metal, and this metal can change shape, and he asks what kind of shapes you think we let it be?

1.1.3.1.mirror

no, the driver smile secretly and let u try again

1.1.3.2.statue

no, the driver smile secretly and let u try again

1.1.3.3.sunglasses

“Exactly! we made it a pair of Sunglasses that can be worn with space suit, and then

took a photo”

Oh, Metro comes, you get off and enter into the museum.

You follows the route in the map, and then find the place of treasure mark in the Metro.

There is a lady/man's toilet! Would you enter into?

1.1.3.3.1.Enter into wrong toilet

When you enter in, a woman sees you frightenedly and then runs out with

scream.

You try to make yourself looks decent, and then open the lid of the toilet following the instruction of the map.

Then you find the sunglasses made by the metal talked by that driver!/Then you find a waterproof script and said, "You should speak english well"

1.1.3.3.1.1. Just wait a while to see what happened.

Nothing happened, still wait?

1.1.3.3.1.1.1. Still wait.

Nothing happened, still wait?

1.1.3.3.1.1.1.1. Still wait.

Nothing happened, it is 11:30 pm yet. Do you

want to sleep here or go home now?

1.1.3.3.1.1.1.1.1. Keep calm and carry on waiting.

There is a hole on the wall and it is very

late, so that it can shed a moonlight on the other side of the wall

and you see there is something in the lightened area.

It is a fluorescent word, "Turn back."

And when you turn back, you find that sunglasses man you met at the beginning standing behind you just now!

Then he wears off the sunglasses, it is Bruno! OMG!

He gives his Fancy Controller to you and said

How can you stay in a toilet so long? I respect you. Here is Fancy Controller, and you can explore it using your laptop, the world colored for you.

1.1.3.3.1.1.1.2.2. Bye, I miss my bed.

1.1.3.3.1.1.1.2. It is too late, the subway might be

off-the-line, let's go home soon.

1.1.3.3.1.1.2. No, I'm hungry, I want to go home for dinner

1.1.3.3.1.2. What is the hell? It was totally a trick, let's go to studio.

1.1.3.3.2. It's too embarrassed, I don't want to try, let's go to studio.

1.2. MoMA(Museum of Modern Art)

You decide to go to MoMA and ride a Citi Bike

Then you go to the MOMA right away.

When you arrived, there is a woman who gives you a lollipop, do you want one?

1.2.1. Yes

Don't your mom tell you that it's dangerous to eat food that you are not familiar with?

You feel blackout for a long time. When you wake up, you find you are in the SVA IxD studio and Bruno said to you,

"Your assignment is so interesting, it said you skip the class and go to museum, then get a lollipop and feel blackout, it just looks like what happened to you now"

You say, "No, that's not true, and I'm just a little tired."

"Ok, let's continue." Bruno said.

"Ok" You don't know what happened and then lick out the leftover of lollipop at the corner of your mouth and continue to listen the class.

1.2.2. No

"Really? that's awesome, it is made by raw chocolate, are you sure that you don't want to try it out?"

1.2.2.1. No, bye.

The woman shakes her head and say, "you are not lucky." Then eat it herself.

You keep going and enter into the painting and sculpture department in floor five.

You saw Sofia! She is looking at a dancing mommy with full interest.

What would you do?

1.2.2.1.1. Join her and see what will happens.

When mommy ends its dancing, he takes an arduino kits out and give to you and Sofia,

The mommy said it contains a lot of precious sensors that cannot be bought outside,
 Such as mystery sensor that can detect others' curiosity and you can see their story in Serial.Port(9600),
 Also cooking sensor that can detect if food is delicious and send microwave to make it yummy.
 Then you tells the story about treasure hunting and the sunglasses man you met to Sofia, and she said she also
 met that one with sunglasses and also follow its instruction to this museum
 Then she watches mommy dancing in terms of clues in map.

1.2.2.1.1. To find the treasure first.

You (and Sofia) follow the treasure mark in your hand and then stand in front
 of the painting of Starry Night of Van Gogh.

Is the treasure here?

What would you do?

1.2.2.1.1.1. Use the painting brush draw the moon more bright

There are some strong men entered into the room and carry you
 away as if you are a little bunny.

1.2.2.1.1.2. Use flashlight to lighten the moon of the paint.

Wow! It is a photoresistor inside of the Starry Night's moon, and
 Arduino makes the painting moved.

Behind the painting, you find your treasure, it is a book of Arduino

Tutorial!

Then there is a man who is coming to you, it is the man that you
 met at the beginning!

Then the man wear off the sunglasses, it is Eric! OMG!

And he said, now you get the (Secret Sensors and)tutorial, let's do
 assignments better!

1.2.2.1.1.3. Eat the mooncake which is right next to the
 painting.→1.2.1

1.2.2.2. Really? It heard nice, let me try it.→1.2.1

1.3. MoMath(National Museum of Mathematics)

You decide to walk to the National Museum of Mathematics since it is right next to the Madison Square
 Park.

On the way to the museum, you are hungry and you find the fact that the Shack Shack is right over
 there.

Do you want to get a burger?

1.3.1 Yes, I would like to get a Shake Shack Burger.

Which burger you want to get?

1.3.1.1 A Shake Shack Burger

After you get the burger, you head to the museum.

1.3.1.2 A Mushroom Burger

After you get the burger, you head to the museum.

1.3.2 No, I don't like a Shack Shack Burger so I will just go to the museum right away.,

You head to the museum right away.

When you arrive at the museum, you see the "Shapes of Space"

And fit together shapes on differently curved surfaces and observe the differences among
 them.

While you are trying to fit together, you just meet a guy who wears a sunglasses !

You figured that you met him before! The man wear off the sunglasses, it is Yohe! OMG!

And he said, now you get the treasure, the mooncake! .

2. Ignore him and go straight to studio

When you get studio, the class Code Literacy begins and Bruno said, hey what's your assignment. And you open
 the terminal and Treasure_Hunting.py, then some words come into your eyes, →Beginning

3. Give him some money

He rejected it and show you a middle finger then fade away in the crowd, and then you go to studio.
